

Caregiver Info Sessions

Join us for a series of virtual Caregiver Information Sessions designed specifically for parents of children aged 0-5. These sessions aim to provide valuable insights, practical tips, and supportive resources to help you navigate the early years of parenting in the areas of supporting literacy, numeracy, the importance of play and in preparing for kindergarten. Our SD38 Early Learning Program is committed to supporting you in creating nurturing and enriching environments for your child's growth and development.
