

CAPC Program Offering In-person Sessions Beginning November 4th

Community Action Program for Children (CAPC) aims to improve healthy child development by improving parenting skills and parent-child relationships and decreasing social isolation. The program is provided in Cantonese and Mandarin, offering positive learning experience for children (aged 0-6) and their families. CAPC facilitators lead fun learning activities where children find opportunities to make friends and interact with others of similar ages. CAPC facilitators support caregivers expand their social support networks, share experience, and learn more about community resources.

CAPC Program will be operating at General Currie Early Learning Centre beginning November 4th. We are looking forward to having children and caregivers return to our program. We will be operating at a reduced capacity, which means fewer families per day to accommodate cleaning and disinfecting protocols. We ask that only ONE adult attend with children.

Date:

November 4, 2020 to December 17, 2020

Wednesday and Thursday mornings (except November 11, 2020)

Location:

General Currie Elementary School—Portable

8220 General Currie Rd, Richmond, BC V6Y 1M1

Weekly CAPC Schedule

Note:

- No drop-ins allowed.** Online booking on Eventbrite for all sessions will be required (in-person, Zoom and outdoor).
- Outdoor Walk locations and details available on Eventbrite. Families meet at a pre-designated spot in the community for Outdoor Walk, rain or shine. Family members and children must be dressed to be outside the entire 90 minutes.
- On Wednesday and Thursdays, there will be room for up to four families to register for a face to face, in centre program. We ask that each family book ONLY one face to face session per week to allow for all families to share time.

Mandatory Daily Health Declaration Process for Staff and Students

Ask yourself the following:

1. Key Symptoms of Illness:	<i>Do you have any of the following <u>NEW Key Symptoms of Illness</u>?</i> <ul style="list-style-type: none">• Fever• Chills• Cough or worsening of chronic cough• Shortness of breath• Diarrhea• Nausea and vomiting• Loss of sense of smell or taste
2. International Travel:	<i>Have you returned from travel outside of Canada in the last 14 days?</i>
3. Confirmed Contact:	<i>Are you a confirmed contact of a person confirmed to have COVID-19?</i>

Answering YES to any of the questions will prevent the staff/student from entering the school or worksite effective immediately.

What if you answered YES?

Question 1:

- If you answered “YES” to one of the **symptoms** included under NEW Key Symptoms of Illness (excluding **fever**), you should stay home for 24 hours from when the symptom started. If the symptom improves, you may return to school when you feel well enough. If the symptom persists or worsens, seek a **health assessment**.
- If you answered “YES” to two or more of the **symptoms** included under NEW Key Symptoms of Illness or you **have a fever**, seek a **health assessment**.
- A **health assessment** includes calling 8-1-1, or a primary care provider like a physician or nurse practitioner. If a health assessment is required, you should not return to school until COVID-19 has been excluded and your symptoms have improved.
- If your symptoms are consistent with a previously diagnosed health condition and are not unusual for you (i.e. the symptoms are not **NEW** for you), you may return to school/work or continue to be at school/work. No assessment or note is required from a health care provider.

Question 2: If you answered YES to question 2, you will need to stay home to self-isolate based on the *Quarantine Act*.

Question 3: If you answered YES to question 3, you will need to stay home to self-isolate based on the advice of the Public Health Authority.
