

StrongStart and Currie Early Learning Centre Program Schedule January to March 2024

Welcome to another term of Strongstart programming in the Richmond School District. Parents/Caregivers are welcome to join by using our online booking system: <https://richmondstrongstart.appointmentschedule.com/>

To keep our centres spacious for an optimal learning environment, we ask that only ONE adult attend with their child and to book an appointment in advance. Please limit your attendance to one session per week and to register at no more than 2 centres. Parents/caregivers will be asked to complete a registration form and provide a copy of your child's birth certificate or equivalent on their first visit.

StrongStart BC is a free early learning program for all children aged 0 to 5. Children attend StrongStart with their parent/caregiver. StrongStart BC programs provide rich learning environments designed for early learning development - language, physical, cognitive, social, and emotional. Our facilitator will lead learning activities where children find opportunities to make friends and interact with others of similar ages. Parents/caregivers attending a StrongStart BC Centre will enjoy play activities, circle time and a snack! Programs go outside when possible, so please dress for the weather and for playtime!

To book an appointment, please visit:

JustB4 Preschool

Our **Just B4 Preschools** are currently accepting applications until June 2024 for children born in 2019. Registrations for children born in 2020 (starting Kindergarten in September 2025) will open in March 2024. At Just B4, we are inspired by the schools in Reggio Emilia, Italy, along with the Early Learning Framework where the *"Image of the Child is upheld in the belief that children are strong, capable in their uniqueness and full of potential."* Our approach to curriculum is emergent, play-based and focuses on children's natural inquiries.
