What is Richmond Family Place?
Richmond Family Place is a Family Resource Program that offers drop in programs for families with children aged 0-6 years old and siblings up to 12 years old. Through our programs and services, we work to empower and strengthen children and families through innovative prevention and support programs. Our mission is to 'Ensure Every Child in Richmond Reaches their Full Potential.'

Family Support Workers
Our Family Support Workers support and guide caregivers and children as they grow together. They are here to help you navigate your parenting questions, direct you to resources in the Richmond community, foster connections between families, and much more. If you would like to talk with a Family Support Worker, call 604-278-4336 ext. 105 or email fsw@richmondfamilyplace.ca. We are always happy to meet with new or returning families and help answer questions.

Memberships
Richmond Family Place is a membership-based organization. Our membership costs $25 per year per family and runs from April to April. A family's financial position is never a barrier to our programs and services, so a pay-what-you-can option is available for families who have spoken with a Family Support Worker. All families are required to become members so we can continue to offer low-cost or free programs, pay for our building costs, and provide high quality materials for our programs.

Program Activities
Our Mainsite has indoor and outdoor spaces for families to play, learn, and explore. Our programs offer outdoor activities that occur rain or shine, so please ensure you are prepared for the weather conditions; bring appropriate items such as hats, jackets, umbrellas, sunscreen, etc. There may also be art activities or 'messy play,' so families are welcome to bring extra clothes.
Parents must stay with their children at all times.
