Ready, Set, Learn

Families and their preschoolers participate in playful activities and receive information on supporting early learning and development.

Program Information

Ready Set Learn events take place at various local elementary schools. Children and parents/caregivers participate in open ended activities, with a First Nations focus, and enjoy a concert by a local performer. Events take place between January and March. Parent resources are available on the Ministry of education website.

Locations will vary, so please see the Richmond School District website for up to date dates and times!

StrongStart Centres

Strongstart Centres provide a warm and exciting environment for you and your child to learn through play.

Program Information

There are 5 locations within Richmond with varying hours to provide options for families to attend. The Facilitators at each location are qualified Early Childhood Educators who set up activities and materials that engage children's imagination and curiosity. Families participate with their children in stories, songs, puzzles, blocks, play dough, and much more. A small nutritious snack is served to the children.

There are multiple locations and times for Strongstarts. Program times can be found at:
